

ACADA CANTO

Appearing with support from Acción Cultural Española

aCadaCanto is a collaboration of three popular musicians on the Galician music scene. Xabier Díaz and Guilermo Fernandes have highly acclaimed singing careers in other Galician bands, while Xosé Romero is part of a popular Spanish musical-comedy trio. Their music is a mix of traditional and more experimental Galician music, underpinning stunning vocals with guitar and accordion.

An unmissable opportunity to hear three remarkable Spanish musicians collaborate on stage.

NETSAYI AND BLACK PRESSURE

Presented by Golden Pilsener

Queen of Afro-folk and 'Zimbabwe's best kept secret' *The Daily News*, Netsayi is thrilled to premier her brand new material on HIFA's Telecel Main Stage.

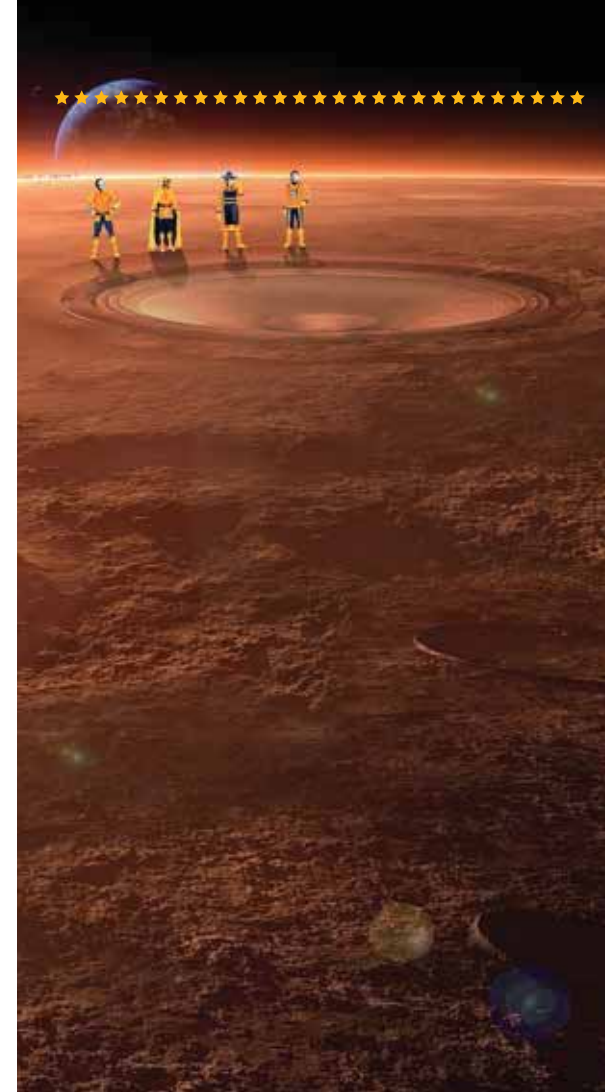

2013 was a breakthrough year for Netsayi, which saw her rock New York alongside some of the world's best musicians, play live on NPR, be photographed by Helena Christensen and wolf-whistled by Bono.

Now after three years selling out HIFA's Lay's Global Stage, she'll be presenting a new sound alongside an mbira ensemble (with Jacob and Philip from Vibe Culture) and cellist Jeff Ziegler (from the Grammy Award-winning Kronos Quartet).

This is your last chance to catch Netsayi before the group's first American tour, which will take in the Celebrate Brooklyn festival and a residency at the Massachusetts Museum of Contemporary Art.

Supported By Embassy of The Federal Republic of Germany, Embassy of Japan, FCM Motors VW Zimbabwe

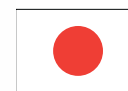

In 1977 (Earth years) a fearless space crew from planet Bayou 7 decided to jump in their space ship "The BootyJive" and bring the traditional hymns of Bayou 7 to Earth.

These hymns - however - are strangely similar to the hottest Rhythm'n Blues and the meanest Funk of planet Earth...

Earthlings - prepare yourselves for a truly galactic experience!
