

Call for Proposals: Agri-Forge Innovation Challenge 2026-Transforming Zimbabwe's Food Systems Through Home-Grown Solutions

Are you an innovator, problem-solver, or tech enthusiast with a home-grown solution for Zimbabwe? 💡 The Agri-Forge Innovation Challenge 2026 is your opportunity to turn your idea into real impact!

We are not just looking for ideas—we are looking for solutions that can truly change the game in:

- 🌱 Climate-Smart Agriculture
- 🚚 Transportation & Logistics
- 🚜 Mechanization
- 📦 Post-harvest & Storage
- 🏠 Modular Smart Access Points
- 📈 Market Linkages & Value Chains

With support from the People of Japan 🇯🇵 and **World Food Programme** selected innovators will have the chance to scale their projects, gain exposure, and contribute to building a more resilient and food-secure Zimbabwe 🌍🌟

📱 How to Apply: Scan the QR code on the flyer or use the application link <https://drive.google.com/.../1R9vlieC9-ivNb...>

Don't let your solution stay on the sidelines—bring it to life and be part of shaping Zimbabwe's future! 🇿🇼
